1. INTRODUCTION

Poliomyelitis is one of the causes of childhood disability in India. Due to mass Polio Vaccination Programme launched by the Ministry of Health & Family Welfare in 1997, the fresh cases of polio have decreased significantly. However, there are a large number of children afflicted with polio prior to introduction of mass Polio Vaccination Programme in 1997. Such Children with established deformities are living in rural and semi urban areas in various parts of the country. Due to low socio-economic status as well as non-availability of comprehensive rehabilitation services including surgical interventions in State/District Hospitals uniformly, a large number of such children are still living with physical deformities. The Ministry of Social Justice and Empowerment has done some in this regard by providing financial support through the NGOs under their ADIP Scheme for undertaking corrective surgeries of polio affected children. However, the efforts made so far have not been commensurate to the enormity of the requirements and all the affected children have not been able to get the much needed support. Moreover, most of the polio affected disabled children belong to low social-economic status and are unable to afford corrective surgery in private medical hospitals. Accordingly, the Ministry of Health and Family Welfare has decided to provide financial assistance to enable the polio disabled children in the age group of 3-18 years to have their polio corrective surgery undertaken including fitment of aids/appliances required in the State / District Hospitals / autonomous health institutions.

2. MAGNITUDE OF THE PROBLEM

As per the latest report of National Sample Survey the number of polio affected children in the age group of 3-18 years are in the range of 3-4 lakhs. As per Rotary International estimated the polio affected children in the age group of 3-18 years are about 1 lakh. Based on the surveillance data available with the National Polio Surveillance Project (NPSP) from 1997, polio affected disabled children are about 6,000. However, from data available from Central Bureau of Health Intelligence, the estimated number of children in the age group of 3-18 years, who could be benefited by corrective surgery is
around 85,000. Details of polio affected disabled children in the country in the age group of 6-14 years are also available with the State Project Directors of Sarva Shiksha Abhiyan (SSA) and District Project Coordinators of SSA under the Department of Elementary Education and Literacy. Therefore, a close rapport with the State/District SSA authorities is required to be maintained in this regard.

3. THE SCHEME & ITS OBJECTIVES

The main objective of the scheme is to assist the Polio disabled children having established deformity of the limbs in their physical, social and psychological rehabilitation by reducing the effects of disabilities through corrective surgery and fitment of aids/appliances; thus enhancing their educational and economic potential.

Under the Scheme of Corrective Surgery and Rehabilitation, existing Polio affected children in the age group of 3-18 years in Delhi, which is the ideal age group for benefiting from corrective surgery, will be covered. The scheme will be made functional through the Delhi State Health Society, which will use State / District level hospitals for corrective surgeries. Delhi State Health Society may entrust the ‘work relating to identification, assessment of polio patients requiring corrective surgery, arrangement for their transportation, food, stay etc. during pre, post and at the time of actual surgery to the NGOs who are already engaged in this field and having a good reputation and proven record of at least five years of work and established all India network.

Delhi State Health Society, reimburse upto a maximum of Rs. 6,000/- per case to the concerned Government Hospital for undertaking corrective surgery. This amount of Rs. 6,000/- per case is required to be accounted for by the Government Hospital separately in the prescribed proforma (Annexure-V) and can be used for capacity building of the Operation Theatres / Indoor Wards of the Hospitals as well as for meeting the cost of medical and surgical consumables required during the corrective surgery. The State/District Hospitals/autonomous health institutions will not charge any fee for treatment/service/ supply of surgical and medical consumables from the patients for undertaking their polio corrective surgeries under this scheme. The NGO may be paid upto a maximum of Rs. 2,000/- per case for aids & appliances only once and upto a
maximum of additional Rs. 2,000/- per case for food, stay, transportation, physiotherapy, etc. of the patient. This amount of Rs. 4,000/- per case is required to be accounted for by the NGO separately in the prescribed proforma (Annexure-III).

The break up of the package is as under: -

<table>
<thead>
<tr>
<th>SI.No.</th>

<td>** Total</td>
<td>Rs. 10,000/-</td>
</tr>
</tbody>
</table>

** Aids/appliances under this scheme are required to be procured by the selected NGOs only from the Government manufacturing units.

**Note:**

1. The selected NGOs may be allowed flexibility in utilizing the amount on the above two component of the Scheme on actual expenditure basis subject to the stipulation that reimbursement to expenditure to the NGO shall not exceed the total amount of Rs. 4,000/- per case.

2. Under the scheme, fitment and supply of aids and appliances may be allowed only once along with the corrective surgery. Subsequent supply/provision of the aids/appliances is not covered under this scheme.

3. Subsequent follow up, including supply/provisioning of the aids and appliances shall be undertaken by the respective agency out of its own financial resources raised from other channels.

4. Any detected polio affected child, not requiring surgery, but requiring only aids/appliances for his/her mobility, shall be provided with the same by the respective agency out of its own financial resources raised from other channels.
4. ELIGIBILITY CRITERIA FOR SELECTION OF NGOs UNDER THE SCHEME

The NGOs having all India network and fulfilling the following eligibility criteria are eligible for selection for the job:

i. Societies, registered under the Societies Registration Act, 1860 and their branches, if any, separately.

ii. Registered Charitable Trusts.

The selected NGOs should possess/organize professional/technical expertise for the identification/assessment of the polio cases requiring corrective surgery, prescription of the required aids/appliances, fitment and post fitment care and physiotherapy services and should also maintain close liaison with the State/District hospitals for speedy undertaking of the polio corrective surgeries of the identified children.

5. ELIGIBILITY OF THE BENEFICIARIES

The following categories of Polio affected children are eligible for free of cost polio corrective surgery and supply/fitment of aids/appliances under the Scheme:

i. He/She should be an Indian citizen and resident of Delhi.

ii. He/She should be in the age group of 3-18 years.

In the first phase of the implementation of the scheme, about 250 to 300 polio affected children whose complete addresses and other details are available with the Delhi unit of NPSP may be assessed and those requiring corrective surgery may be taken up.

6. REQUIREMENT FOR NGOs

Applications by interested and eligible NGOs are to be submitted in the prescribed format (Annexure I & II). The application should be accompanied with following documents/information (duly attested):

b. A copy of Registration Certificate under Societies Registration Act, 1860 and their branches, if any, separately, or Charitable Trust Act.

c. A copy of Rules, Aims and Objectives of the Organization.

d. A copy of certified audited accounts and Annual Report for the last three years.

e. Names & particulars of members of the Management Committee of the Organization.

f. Expenditure incurred for undertaking corrective surgeries/fitment of aids / appliances amongst the identified Polio affected children during the past three years (State/District wise)

g. An undertaking that the funds will not be utilized for any other purposes.

h. An undertaking to maintain a separate account of funds received from the Ministry of Health & Family Welfare.

i. A calendar of activities for entire financial year which should also indicate their publicity strategy for successful/timely implementation of the scheme.

j. An undertaking that the organization will strictly follow the scheme, including the instructions at Note 1 to 4 mentioned at S.No. 3 of the Scheme.

k. An undertaking that the organization is financially sound and has requisite capability to mobilize the resources.

l. An undertaking that the organization shall maintain a close rapport with the State/ District Administration and SSA authorities and shall have the capacity to utilize the expertise available with the State/District Administration for undertaking polio corrective surgeries expeditiously in the State / District Hospitals/autonomous health institutions.

The Delhi State Health Society reserves the right, with the approval of the Chairman/CEO of the Society, to relax any of the above requirements in exceptional cases. They are also empowered to add any additional stipulation / condition for release of financial grant to the NGOs/Government Hospitals under the Scheme.

7. SANCTION/RELEASE OF FINANCIAL ASSISTANCE

The Delhi State Health Society may sanction and release financial grant for the first time to the selected NGOs after receiving all the required documents. The subsequent financial grant may be sanctioned to the selected NGOs after receipt of audited
accounts/SOE/Utilization Certificate in the prescribed proforma (Annexure-VI) and list of beneficiaries with their permanent addresses in the prescribed proforma (Annexure III) for the previous year.

Officers of the Ministry of Health & FW / State Governments may conduct sample checking of 5 to 10% of the Polio affected children who underwent corrective surgery under the Scheme.

8. CONDITIONS FOR ASSISTANCE

a. The selected NGOs will maintain a register in the prescribed proforma (Annexure-III) indicating the details of the polio affected children who underwent corrective surgery under the scheme; district-wise along with the photos (before corrective surgery and after surgery) of the patient.

b. The selected NGOs and the Govt. hospitals shall maintain a separate account of funds received from the Ministry of Health & Family Welfare and utilized under the scheme. The funds should be kept in a separate Bank Account to be operated under the scheme.

c. A certificate from the head of the implementing organizations to the effect that the funds have been / will be utilized for the purpose for which these were sanctioned.

d. The final accounts for a financial year will be rendered through utilization certificate as per prescribed proforma (Annexure-VI) and audited accounts signed by Chartered Accountant within six months of the close of the financial year.

e. The organizations implementing the scheme will be open to inspection by the officers of the Ministry of Health & FW / State Government.

f. When the Delhi State Health Society / Govt. of India has reasons to believe that the financial assistance is not being utilized for the approved purpose, the amount would be recovered from the implementing organizations with interest and no further assistance would be given to the organization.
Annexure-1

Application for Financial Grant for Corrective Surgery and Supply/fitment of aids/appliances to the Polio disabled children in the age group of 3-18 years.

From: ________________
_____________________ (Name of Org., complete address, FAX No., e-mail etc.)

To,

The Director Family Welfare,
Govt. of NCT of Delhi,
Bhagwan Mahavir Hospital,
Road no. 43, Pitampura,
Delhi-110034.

Subject: - Financial Assistance for Corrective Surgery and Supply / fitment of aids/appliances to the polio disabled children in the age group of 3-18 years.

Sir,

I submit herewith an application for grant of financial assistance for the year ------- under the scheme of financial assistance of the Ministry of Health & FW for corrective surgery and rehabilitation of polio affected children. I certify that that I have read the rules and regulation of the Scheme and I undertake to abide by them, on behalf of the Management. I further agree to the following conditions:

(a) All assets acquired wholly or substantially out of this financial assistance shall not be encumbered or disposed off or utilized for purpose other than those for which grant is given. Should the Institutional/Organization cease to exist at any time, such properties shall revert to the Government of India.

(b) The accounts of the grant shall be properly and separately maintained. They shall always be open to check by officers of Govt. of India/State Govt. They shall also be open to open a test check by the Comptroller and Auditor General of India at his discretion.

(c) If the State or the Central Govt. have reasons to believe that the grant is not being utilized for approved purpose, the Govt. of India/ State Govt. may stop payment of further installments and recover earlier grants in such manner as they may decide.

(d) The Institution shall exercise reasonable economy in the implementation of the scheme.

(e) The Institution /Organization will obtain an undertaking /consent from the beneficiaries before undertaking polio corrective surgery and fitting of aids /appliances.

(f) The Institution/ Organization shall not charge any fee from the beneficiary for organizing/providing the services under the scheme.

Yours faithfully

(Signature)
Designation (Office Stamp)
Financial Assistance for Corrective Surgery and Supply / fitment of aids/appliances to the polio disabled children in the age group of 3-18 years.

1. Name of the Institution / Organization.

2. (i) Name of the Act under which registered
   (ii) Registration No. and date of Regn.

3. Registration under Foreign Contribution Act: (Yes/ No).

4. Memorandum of Association & Bye Laws (attach Photo copy)

5. Name & address of the Members of Board / Management/Governing Body

6. List of Documents to be attached:
   (a) Certified copies of Audited Accounts and Annual Reports of last three years.
   (b) Expenditure incurred for undertaking corrective surgeries and fitment of aids/appliances to the identified polio affected children during the last three years (State/District wise).
   (c) A calendar of activities for the entire financial year including publicity strategy.

7. Amount of grant-in-aid applied for in the current financial year.

8. Details of beneficiaries: (for subsequent year’s grant)
   (a) Number of polio disabled children benefited from previous year’s grant
   (b) Proposed No. of polio disabled children proposed to be covered during the current financial year.

9. Details of the staff available.

10. Details of Grant-in-Aid received under other Schemes of:
    State Government/Central Govt./Other sources, and the purpose thereof.
