CIRCULAR

Delhi is committed to increase its green cover to combat the menace of air pollution. The ensuing monsoon is the perfect time to plant seedlings.

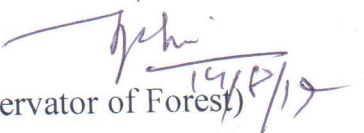

The citizens of Delhi are requested to collect free saplings from Forest Nurseries nearest your location and plant them in their own backyard/ garden. This way they can do their bit and contribute in making Delhi green.

The list of forest nurseries is available at the website of Forest Department ([www. forest.delhigovt.nic.in](http://www.forest.delhigovt.nic.in)).
