Unified and transparent recruitment process for filling up vacancies of Group 'B' (Non-Gazetted) and below posts in Government of India-regarding.

Sir/Madam,

The Ministry of Home Affairs, GOI, through its letter dated 07.02.2017 has referred to (MHA, GOI), OM dated 25.01.2017 which states that at present candidates seeking government jobs have to appear for different examinations where similar eligibility conditions have been prescribed. The multiple recruitment examinations not only burden the candidates but also results in avoidable expenditure in conducting of these examinations by various recruitment agencies. Government is now proposing to introduce common eligibility test to shortlist the candidates for vacancies of Group 'B' (Non-Gazetted) and below posts through computer based online mode test for Tier-I Examination to be conducted by a multi-agency body. There will be common registration of candidates through National Career Service (NCS) portal. There would be separate common examinations for graduates, 12th pass and 10th pass candidates. The scores obtained by the candidates shall be available to the candidates and individual recruitment agencies. The Tier-I score shall be valid for one year from the date of declaration of the result. Candidates can thereafter apply to various recruitment agencies for appearing in Tier-II examinations. Final selection will be made through specialized Tier-II examination to be conducted by individual recruitment agencies. This would result in savings to the candidates and the Government but also compress the duration of the selection process by half. The MHA has sought details in prescribed format (reproduced below) in respect of all Group 'B' (Non-Gazetted) and lower level posts, wherever there is element of direct recruitment and direct recruitment is not through the SSC/UPSC.
