F. No. F2(94)/VS/DES/2017

Dated: 09-08-2017

CORRIGENDUM NOTE

The annual Report on the registration of Births & Deaths in Delhi for the calendar year 2016 was released on 02-8-2017 by this office. Under the MCCD, 11 cases of Polio and 2 cases of smallpox were wrongly reported by the concerned local bodies i.e. EDMC, North DMC and SDMC due to typographical errors by the reporting hospitals/local bodies. The errors has been rectified in the revised Annual Publication 2016 available on the website of the Directorate http://delhi.gov.in/wps/wcm/connect/DOIT_DES/des/home . No deaths occurred due to Polio and smallpox in Delhi during the year 2016.

(ASHOK KUMAR)

Joint Director/HOO
