India's first virtual job fair for people with disability is being held 7th October 4pm – 9pm. A virtual job fair is held only online, in no physical location (place). It allows people with disability from all over India to login from anywhere. They can be interviewed by 40 of India's most inclusive companies!

How does it work?

Candidates with disability will create their profiles, upload resumes and cover letters on the virtual job fair portal (website). Candidates can:

- o Review company profiles &
- o Specify an interest in the company profiles and
- o Apply for the jobs

Chat rooms will be available on 7th Oct 4pm – 9pm, representatives from companies will answer questions about the company and the jobs available. The companies will review the candidates profile and register who they want to shortlist for further discussion.

Virtual Job Fair for people with disability

If candidate is interested in company and the company is interested in the candidate, further conversation and interview will be booked after the job fair.

If you want to participate in the job fair, you must:

- o Have access to a computer with fairly good internet connection
- o Some level experience in using computers/software is required
- o Be available on the 7th October 4pm – 9pm
- o Have a resume ready
- o Be looking for a job (OK if you already have one)
- o Have a disability and a disability certificate
- o Have good conversational english (minimum)
