Sub: Request to take precautionary measures in the Schools and Colleges against rapidly spreading "Swine Flu" in Odisha.

Sir,

With due honour, we bring to your kind notice that, the Schools and Colleges in Odisha are not taking precautionary measures against "Swine Flu" which is rapidly spreading. The children are more vulnerable to such fatal infectious disease and there is every possibility of multiple infections at children congregating places with apprehension of loss of most valuable human lives.

Therefore, necessary guidelines may kindly be issued to all Schools and Colleges of Odisha as fast as possible to prevent spreading of such disease for welfare of the people. The children affected in flu should be prevented from school/college going as immediate measures. Hope of a kind action in the matter with a revert message to rozindiatrust@yahoo.com

With kind regards.

Yours Sincerely,

MANAGING DIRECTOR
